Commerce Body Has Busy Session

Pahokee Chamber of Commerce conducted a busy session Tuesday night in which many important issues were discussed.

Interested in the appearance and growth of Pahokee the directors voted to write a letter to the City asking the council to take action on condemning all buildings in the city that fall below the building code standard, following the condemning action with an action to demolish condemned buildings.

After a report on the success of the Independence Day celebration directors decided to add more features to the celebration and to make it one of Pahokee's annual attractions. It was suggested that another year a contest for string and vocal quartets might be added as an additional attraction.

C. A. Bailey, representing the Belle Glade Chamber of Commerce, outlined plans for county zoning and planning. He asked that the directors study and discuss the matter and later name three representatives from Pahokee to work with the County Commission in working out county zoning and planning.

Non-attendance of directors was discussed and the directors recommended that the by-laws be changed to read that when a director misses two consecutive meetings instead of 4, that his name be dropped from the board. A copy of the recommendation will be mailed to each member and a vote will be taken by the membership effecting the change.

It was reported that \$4,421 has been raised on the membership (Continued on Page 7)

Olin Cowart Dies In Wauchula Hospital

Olin Cowart, 50, of Wauchula, a former resident of Pahokee, died at a hospital in Wauchula Tuesday afternoon.

Cowart, a brother of Marvin and Reppard Cowart of Pahokee, lived in Pahokee ten years or more before going to Wauchula to make his home.

He is survived by his wife, Mrs. Frances Cowart, two daughters, Janice Kay, 14, and Elizabeth 6; two sons, Elton 4 and Harmon, 1 year all of Wauchula; two sisters, Mrs. Anita Spivey of Milledgeville, Ga., and Mrs. Clyde Ratliff, Wauchula, and three brothers, Reppard and Marvin Cowart, Pahokee and Elliott Cowart of Wauchula.

Funeral services were conducted Thursday at 10 a. m. at the Methodist Church in Wauchula, with burial in that city.

MACK BARFIELD OPENS STANDARD OIL STATION

Mack Barfield, formerly on the Pahokee Police force, is operating the Standard Oil Station recently vacated by Pope Sears in Canal Point when he moved to the new Texaco station. Mr. Barfield extends a cordial invitation to his many friends to visit him in his new location.

The Florida Cabinet has agreed to creation of a special fund for public donations toward construction of a \$500,000 carillon at Stephen Foster Memorial.

Uptegroves Sing For The Lions Club

The Uptegrove Quartet entertained Pahokee Lions at their weekly luncheon meeting at the Woman's club Tuesday noon, with gospel singing. The quartet is composed of Osceola, Uptegrove, Elmer Uptegrove, Billy Mathis and Barney Creech. M. M. Martin, Jr., is pianist. The singers were introduced by Earl Chance, program chairman.

W. Palm Beach Gets \$117,388 FP&L Cash

WEST PALM BEACH—Growth of this city was indicated Tuesday when the Florida Power and Light Co. turned over to the city treasurer a check for \$117,388, far more than had been anticipated for the FPL franchise tax.

The company pays 6 per cent on gross revenue less taxes and fees.

Another franchise tax was paid by the Orange State Oil Co., which turned in \$6,000 as a half-year's payment.

Farrington Named New Circuit Judge

FORT LAUDERDALE — Otis Farrington, Broward county solicitor since 1949, became a Circuit court judge at ceremonies conducted in Tallahassee Tuesday. He came home Wednesday.

He formally resigned as solicitor and received his commission as a judge from Acting Gov. Charley E. Johns.

Farrington's resignation as solicitor leaves the county without a prosecutor.

Farrington's appointment gives the county three Circuit judges. Tedder, whose unexpired term ends in January, has been reassigned. Farrington was nominated for the judgeship in the May Democratic primary. He has no opposition at the November election.

Emerson L. Allsworth, Jr., 27, assistant county solicitor for 13 months, was sworn in as acting county solicitor by Judge W. T. Kennedy. The judge said "in accordance with the expressed wishes of the governor, I have appointed Emerson Allsworth acting county solicitor until the governor appoints a county solicitor as successor to Otis Farrington.

Business Good At D. L. Hooks Grocery

When the summer season hits the Lake Okeechobee Region a lot of business men pull in their horns and don't expect to do any business until the following fall when the farm deal opens up. Not so with Groceryman Delmar L. Hooks in Canal Point. He keeps plugging 12 months out of the year and gets results.

Yesterday he said that the past week's business was the best that his store has experienced in the 30 years he has operated it. "Keeping everlastingly at it," is the way Groceryman Hooks explains the continuation of good business even during the supposedly dull summer months.

City Of Miami Gets Half Million Cash From FP&L Tax

The Florida Power and Light Co. Friday paid the City of Miami \$579,337.88 as its first annual tax payment resulting from a 30-year franchise between the city and the power company.

The agreement is designed to bring the city increased revenue each year in keeping with Miami's growth. Mayor Abe Aronovitz estimated that in its 10th year the agreement would provide about a \$1,800,000 payment.—Miami Herald.

Butch Heldt Likes Uncle Sam's Air Force So He Re-enlists

M-S Arnold (Butch) Heldt went into West Palm Beach Wednesday to re-enlist in the air force. His enlistment was up about three weeks ago but Uncle Sam has been rather lenient with "Butch" and gave him plenty of time to make up his mind about what he wanted to do. The popular Air Force Sergeant is in charge of the local Crash Boat Squadron which has been stationed in Canal Point for a couple of years. His re-enlistment this week was for another hitch of six years.

Sgt. Heldt joined Uncle Sam's forces back yonder in November 24, 1939 and has seen service in several theatres including Korea in the recent "Police action."

M-S Melvin Baldwin, recently assigned to the Canal Point Base, joined Sgt. Heldt Wednesday and also re-enlisted for a six year hitch.

Linda Hand Dances To Top Place In Show

Linda Hand gracefully danced her way into first place in Malcolm Millar's Talent Scout Show Tuesday night at the Prince Theatre. She presented two charming dances, her first a difficult toe dance and her encore a well executed tap dancing routine.

Smiley Williamson twanged and sang his way to second position, dressed in cowboy regalia and with a confident smile. His first offering was a instrumental piece, "Listen To The Mocking Birds," which brought a thunder of applause. He returned with a vocal piece "The Old Lonesome Road Blues."

Horace Scruggs was his usual comical self. He had a real laughing entrance and sang two numbers to healthy applause.

Joe Parker displayed a pleasing tenor voice in two song offerings which sold well to the large crowd and he came away well rewarded.

Guest stars from Belle Glade were: Linda and Ramona Atkinson and Eugene Challancin.

This is the second week of the series and a large crowd came out to enjoy a real fast moving vaudeville presentation.

Among new features planned for the Florida Citrus Exposition at Winter Haven is a complete model concentrate and juice plant.

Stuart Starts Work On Machine Shop

Work started this week on a machine shop building for C. L. Stuart on Canal Point Road on a lot adjoining the Stuart residence. The building is, being constructed of concrete blocks and steel and will be 40 x 72 feet. Stuart said he hopes to have the building completed within three months. He now operates a shop in Canal Point.

Many Attend Big Celebration 4th

Some five thousand people from all over the Glades attended the Independence Day celebration at Pahokee Monday night when one of the largest fireworks displays, ever to be staged in Pahokee, was fired from the city pier.

Milton Carpenter, the founder of the celebration assisted by representatives from the various civic clubs were in charge of presenting the display.

Festivities started in Pahokee around 1 p. m. when teams in the Everglades Pony Baseball League gave a good exhibition at City Park. The Perkins team won the game 10-2 from the Webster team. Following the game there were boat races and free boat rides for youngsters and at 4 p. m. a barbecue supper was served at the Elks Hall.

The fireworks display rang the curtain down on the festivities which were well attended.

Mrs. Sasser Tells Of Welfare Distribution

Mrs. Doris Sasser, member of the District Board No. 10 of the State Department of Public Welfare, reports that in Palm Beach County 3,108 persons were assisted in the three categories of public assistance for the month of June 1954.

A total of 1,515 persons received Old Age Assistance to the amount of \$67,438.00. 79 persons received Aid to the Blind, totaling \$3,922.50. 389 families, representing 1,193 children received Aid to Dependent Children in the amount of \$21,605.

In addition, 142 children received service during the month, 28 of whom were in foster homes, 1 was a runaway. The total state and local cost for these child welfare services was \$1742.97.

There were 10 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the Court.

Other Palm Beach County board members: Thomas E. Penick and Mrs. Helen R. Tedder, West Palm Beach; Mrs. Grady H. Brantley, Lake Worth, and J. B. Evans, Delray Beach.

MASONIC DEGREE

The second degree of masonry was conferred upon Dewey P. Hughes at a meeting of Everglades Masonic Lodge 211 F&AM Tuesday evening at the Masonic Hall. Alton Jones, worshipful master and his staff of officers were in charge of the degree work.

1905 Paper Had Interesting Ads

A partial copy of the Atlanta Semi-Weekly Journal dated July 20, 1905, was brought to this office the other day for our perusal. It is an interesting newspaper and is the property of Mrs. H. L. Sears of Canal Point.

Especially interesting were the advertisements. One ad quoted prices on buggies at \$33.75 while another alongside it quoted a price of \$89.00 for the swankiest vehicle of its day. Astonishing prices were quoted by one concern and they started at \$10.25 and up. In all probability that "and up" is where they had you. A 20-year gold filled guaranteed watch was to be had for the small sum of \$3.50. If you needed a cotton gin in those days you could buy one at a "most reasonable" price with "practically no wear-out to it."

One of the funniest looking contraptions pictured in the newspaper was a new fangled washing machine. It was guaranteed to do a week's wash in six minutes. Another item advertised was "Cook Spout—mighty good plug tobacco."

Hoke Smith was a candidate for governor that year. He was making a state wide campaign seeking Georgia's highest office.

Looking through the ad columns we found that "A great discovery cured droyep." Another ad said that the morphine habit could be cured for \$10. The Southern Dental College in Atlanta was looking for students.

The newspaper, though torn and brown with age, makes for interesting reading and Mrs. Sears has a souvenir well worth preserving.

Billie Nell Stokes Wins Girls State Spot

Billie Nell Stokes of Canal Point was elected Commissioner of Okeechobee, one of 12 mythical cities at 1954 Florida Girls State which is being held June 26-July 2 on the campus of Florida State University.

Miss Stokes is one of 278 outstanding high school students, to be a senior in the fall, from all parts of Florida attending this year's program.

Girls State is sponsored annually by The American Legion as a part of its Americanism program.

While at Tallahassee the girls are formed into a mythical 49th State where the functions of city, county and state government are learned by practical application and actual experience through participation in all levels of government.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Hollywood says glamorous Joanne Dru has the most "discovered" figure in the movies. It all began when Joanne was about to escape from her teens. She had been modeling teen-age fashions in New York City when she heard George Hale Broadway dance director, was lining up girls for the Al Jolson musical, "Hold On To Your Hats." When Hale saw her whistle-type curves, it marked the first time her figure was discovered. Second time was at New York's Copacabana when she was almost signed as one of Copac's famous Samba Sirens. Also in the group of five were June Allyson and Lucille Bremer who likewise went on to film fame. Following three years retirement, when she was Mrs. Dick Haymes, a Little Theatre performance in "Our Town" led to a test and a contract with Samuel Goldwyn. Bill Thomas designed the fourteen gowns she will wear in her latest picture, "Forbidden" and one of the gowns is called "The Nude Look." "When they see me in that outfit," Joanne believes, "they'll never discover my figure again. If that impression doesn't last I'll miss my guess. See you at the movies—Mal.

Kenneth Foster Has A Birthday Party

Mrs. Lassiter Foster entertained with a birthday party honoring her son Kenneth on his third birthday anniversary at her home on E. Main St.

Birthday cake was cut and served with ice cream and soft drinks to guests attending. Each child received favors of gaily colored balloons.

Lunchroom Manager Thanks The Public

The Canal Point School Lunch Room takes this means of thanking each and every one who made a contribution toward its success, either of donated vegetables, fruit or labor during the past year.

We want to thank the Pahokee Lions Club for its gift of equipment and the Pahokee Rotary Club for some donated vegetables. Also our appreciation and thanks go to the parents and children who so wonderfully cooperated in our lunch room program, those who supported our program and made it possible for our lunch room to win the Region VIII Award in the contest we entered during February and March, which was sponsored by the Florida School Food Service Association and the Florida Citrus Commission. This is two years in succession that we have won the award.

When your child eats in the lunch room—not only the child, but the parents as well, make it possible for us to carry out a successful lunch room program.

We are looking forward to your full cooperation during the coming year.

Mrs. Oliver Hatfield,
Manager.

"Red Tide" Article Effects Feared

WASHINGTON—Alarmed West Coast resorts were assured this week through Senator Smathers that they have nothing to fear in connection with a forthcoming article scheduled to appear in the Saturday Evening Post dealing with the "Red Tide."

Following receipt of a number of protests, Senator Smathers contacted Washington offices of the publication and was assured by the editors that the story should help rather than harm West Coast resorts.

The article, they said, will set at rest ugly rumors current about the "Red Tide", and give authentic assurance from health authorities that it is not a health menace.

Net profits on food sales in A&P stores represent only eight tenths of a cent on each dollar of consolidated net sales, the company reports.

Mrs. Alma Farrow and Miss Lucille Williams have taken a cottage at Lake Placid for the summer.

WHICH ONE DO YOU WANT ?

you can have your dream house—this easy way!

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is *saved for you, before you get your salary*. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan:

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save..	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save..	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, *start your Plan today!*

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

**If you want to be paid
your interest as current income—
invest in 3% Series H**

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Christian Science Group Of Canal Point

That true progress depends on effective prayer, on man's selfless desire to understand and apply the spiritual truths concerning God and man, will be brought out at Christian Science services Sunday.

Readings from the King James Version of the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Sacrament." Scriptural selections include the account of Jesus' meeting with his disciples on the shores of Galilee after his resurrection, as told in John's Gospel. From Science and Health will be read the following passage (1:6): "Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind."

J. Tom Watson, former Attorney General and Republican nominee for Governor underwent an eye operation in Tampa last week and will be confined to his home for the next several weeks.

Miss Dorothy Chastain is visiting her sister, Mrs. Clyde Griffies and Mr. Griffies in Tampa.

drive and that the membership now totals 221 members.

James H. Wilson's name was drawn for the week end for two at the Colonades Hotel as the prize offered in the membership drive. This award will not include meals at the hotel this year.

Plans for the proposed breakwater were discussed. It was reported that there has been a poor response from the various civic clubs which had been asked to draw up a resolution supporting the move for a breakwater, and the request that each club name representative to go in a body to the Port of Palm Beach Authority to ask for action on the project. It was pointed out that many of the clubs suspend meetings during the summer and perhaps the resolutions will come in later.

President Leonard Dobrow presented a list of suggested improvements which various citizens have sent in for the improvement of the town. This list will be referred to the City Council.

Plans were revived to complete the welcome sign bearing the emblems of all the civic and fraternal orders in the city, which will be placed at the city limits. It was reported that the local carpenter's union have offered to donate the labor for the sign. The committee in charge will renew its efforts to complete the sign and get it installed this summer. Plans were also discussed for cleaning and repainting the Pahokee sign at Twenty Mile Bend and cleaning the ground around it. It was called to the attention of the directors that some of the U. S. Highway signs on 441 do not carry Pahokee, and ways and means of adding Pahokee to the signs were discussed.

Directors decided if members of the chamber in arrears with dues do not pay their 1954 membership dues within 10 days they will be dropped from the membership roll. An industrial clinic to be conducted in Tampa July 15 and a statewide conference on beautification in Daytona Beach at the Plaza Hotel July 30, were announced. The beautification conference announcement will be referred to Pahokee Garden Club.

Mrs. Bertha Orr, secretary, gave a report on the Chamber of Commerce Southeastern Institute which she attended at the University of North Carolina at Chapel Hill, N. C.

The chamber voted to reduce the salary of the secretary for two months during the summer and to close the office at 1 p. m. each day. Leonard Dobrow, president, presided at the meeting.

Mr. and Mrs. Stowers and family and Mr. and Mrs. Williams and family are still visiting their parents.

Lectures For Two Weeks Successful

The evangelistic meeting and Prophetic lectures held in Pahokee for the past two weeks, closed with a good report and results. This campaign was held by Rev. G. W. Pendleton, of Malvern, Ark., who is making an extensive tour this summer through the southern state and the British West Indies in the interest of unity of all Christians and the Revelation story of the New Testament.

The Rev. Pendleton, manager and speaker of a regularly scheduled national radio program known as "The Seventh Trumpet Hour", is also author of a number of books and is editor and publisher of the non-denominational magazine, The Seventh Trumpet, official organ of the church.

In the national work of the Rev. Pendleton's ministry he uses a large historic and Bible chart covering more than 6,000 years of time, and from which he teaches the Greatest Story Ever Told. He also carries a traveling gospel library with hundreds of publication varieties in connection with his program. Radio programs were also transcribed while in Pahokee for his national program.

The lecture tour will continue and meetings are scheduled for Miami, Nassau, in the Bahamas, and in Sarasota, Fla., before he returns for campaigns in Mississippi and Louisiana.

Sullivan - Duer

Word has been received by friends in Pahokee of the marriage of Mrs. Juanita Sullivan, formerly of Pahokee, and J. F. Duer of Waukegan, Ill. at Waukegan Saturday, May 15.

The sister and brother of the bridegroom attended the couple.

The bride wore a light blue wool suit trimmed with navy and navy accessories. Her corsage was pale pink orchids and white carnations. Before her marriage Mrs. Duer operated a flower shop in Stuart. Prior to that she made her home in Pahokee for many years.

Mr. Duer is connected with S. J. Reynolds Co., Inc. of Chicago, Ill. Mr. and Mrs. Duer will spend their summers at their Island Lake Home in Illinois and the winters in Florida.

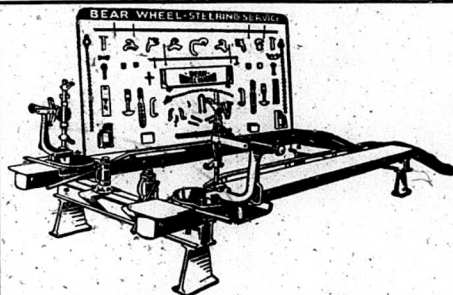

Mr. and Mrs. O. H. Chastain and family spent several days last week in Miami.

Burdine's Will Have Huge-County Payroll

"When Burdine's new store opens the latter part of this month, Palm Beach County residents will be receiving a \$750,000 per year payroll, or more than double the present amount paid out annually by the store," Joseph Shaw, Store Manager, said today.

"Interviews for additional personnel for the new store have begun in an improvised employment office on the First Floor of the new building now nearing completion,"

Shaw said. "In line with the Burdine policy on employment, persons, who are already employed by other stores here are asked not to apply, because we do not care to disturb any other merchant's organization."

Preference will be given to people who reside in this area for the many jobs to be filled, according to Shaw.

Among the types of jobs to go to qualified applicants will be salesmen, saleswomen, wrapper cashiers, porters, waitresses, cooks, bus girls, markers, truck drivers, and secretaries.
